MFCE Quarterly News Updates

The Christmas for Kids (CFK) 2025 campaign was extremely successful and heartening. My Favorite Charity Events (MFCE) Organization's Santa's Helpers came up big during the Christmas season when our initial forecast was down. Conditions just seemed off this past year, and we expected to be able to support fewer families but to our amazement, we were able to exceed some of our previous years. This was the 6th year for the CFK Program, and many of our Santa's Helpers have been with us for all those years. To our helpers, we can't thank you enough for your continued support and contributions. This year, we had the privilege of working with two Junior National Honor Society (NHS) members who assisted us in sorting, wrapping, and packaging the gifts for delivery to Cooke Elementary School. This was a wonderful experience for all involved, and as part of NHS student participation, they were able to earn community service hours. This was a win-win as we had kids helping kids, and you couldn't have asked for a better outcome. We plan to expand MFCE's community service efforts next year.

MFCE Needs Santa's Helpers for our 2026 Christmas for Kids Program

As we look forward to MFCE's 2026 CFKs campaign, we are looking to expand our support and be able to provide more families with a wonderful Christmas. Every year we face different challenges and expect 2026 to be no different but with the support of our Santa's Helpers, we have been able to provide many families with some normalcy during the Christmas season. We have received so many positive comments concerning the CFK program from the school and the families we serve that without your generous donations, many of these kids would not have a Christmas. You may know someone who as a child did not have a Christmas and how devastating that experience was, but MFCE works to ensure that no child in our community goes without Christmas gifts.

Please help us by passing this newsletter on or telling friends and family about your experience in supporting MFCE's CFK program. We guarantee you nothing is more rewarding than knowing you have provided kids that might not have had a Christmas with a wonderful Christmas filled with presents. We have been in contact with Cooke Elementary School, and we are set for another year of support! So, it is full speed ahead, and we look forward to working with Cooke Elementary and our Santa's Helpers to make Christmas 2026 another great success.

Donations Greatly Appreciated

We appreciate your consideration to donate to support our Christmas for Kids Program. Your donation of any amount on a one-time or recurring basis is welcomed. Please visit our website at <https://myfavoritecharityevents.org> or use QR code below. Our donation process is secured by STRIPE, a secure payment processing platform.
